

TAKE CHARGE OF YOUR PROFESSIONAL FUTURE Join for free and for 3 months the 1st union in France, 1st among cadres !

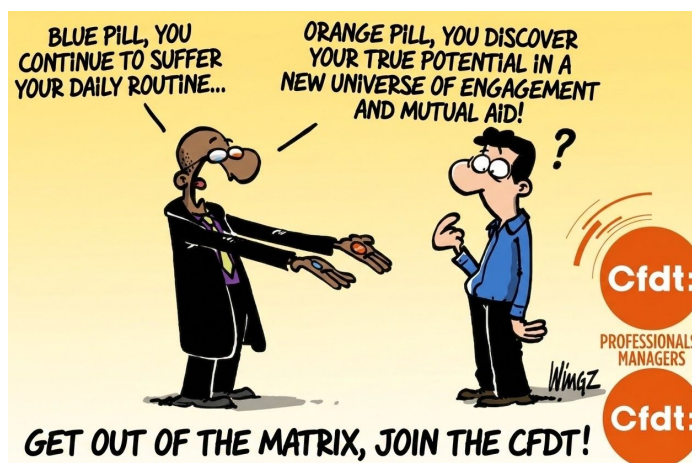

Joining the CFDT means:

Being listened to and supported: active listening and support in the workplace, through a network and the expertise of committed colleagues

Being heard: speak up and have your say on all the major issues in your work life: pay, working conditions, mobility, etc.

Acting: participate in the debates and decisions of your Union Section, choose your list of candidates

Being engaged: take part in change for a more ecological, social and democratic society

Adhere to our values:

Autonomy - Independence - Democracy - Emancipation - Solidarity

Benefit from concrete services to defend your rights and improve your working conditions:

A la carte answers:

Advisors reachable by phone or online, for all your questions about your professional or personal life

My 1-click training:

Catalogue of 70 free training courses for CFDT members
